All costs and expenses incurred by or on behalf of the Secretary of State in resisting or appearing on any such petition, if not ordered by the Court to be paid out of the stock and dividends thereby

Application to Court to rescind order. payment of dividend as aforesaid to a claimant any person may apply to the Chancery Division of the High Court, by motion or petition, to rescind or vary any order made for re-transfer or payment thereof.

12. Where any stock or dividends having been

Provided that if in any case a new claimant establishes his title to any stock or dividends re-transferred or paid to a former claimant, and is unable to obtain transfer or payment thereof from the former claimant, the Court shall, on application by petition by the new claimant, verified as the Court requires, order the Secretary of State to transfer to him such sum in stock, and to pay to him such sum in money for dividend, as the Court thinks just.

Such transfer shall be made from stock transferred to the Secretary of State under this Act; and such money for dividend shall be paid out of the revenues of India.

Unclaimed East Indian Railway Annuity and Unclaimed Railway Debentures.

17. Whereas it is provided by section ten of the

Re-transfer to Secretary of State of unclaimed East Indian Railway annuity. East Indian Railway Company Purchase Act, 1879, 42 & 43 Vict. c. cxi. (in this section called the Purchase Act,) that the annuity created by that Act (in this section referred to as the annuity) shall from time to time be paid by the Secretary of State to the East Indian Railway Company, (in this section referred to as the Company,) and shall be received and held by them for the purpose of distribution by them amongst the several persons entitled from time to time thereto under that Act, and shall not nor shall any part thereof at any time be paid or applied by the Company otherwise than for the purpose of such distribution:

And whereas at the time of the purchase of the East Indian Railway under the said Act the capital of the Company included a sum of twenty-three thousand eight hundred and eighty pounds capital stock in respect of which no person was registered in the books of the Company as the proprietor thereof, and the annuities representing the same now remain unpaid:

And whereas no distribution can at present be made of such unclaimed annuities, and it is expedient to authorise the Secretary of State to suspend payment of a portion of the annuity equal in amount to such unclaimed annuities:

And whereas no distribution can at present be made of such unclaimed annuities, and it is expedient to authorise the Secretary of State to suspend payment of a portion of the annuity equal in amount to such unclaimed annuities:

And whereas it is also expedient to provide for the repayment by the Company to the Secretary of State of any annuities other than the said unclaimed annuities representing the said unclaimed capital stock already received by the Company which may remain in the hands of the Company unclaimed for ten years, and further to authorise the Secretary of State to suspend payment of a portion of the annuity equal in amount to such annuities so remaining unclaimed :

And whereas by section eighteen of the Purchase Act the Board of Directors of the Company were directed to divide the annuitants into two classes to be called respectively Class A and Class B, and provision was made by section twenty-three of the said Act for the creation of a sinking fund attached to annuities of Class B derived from the investment of certain deductions to be made from annuities of that class as thereby provided, and it is expedient that so much of the accumulations of the said sinking fund as may be attributable to unclaimed annuities should be repaid to the Secretary of State when the sinking fund shall be distributed according to the provisions of section twenty-five of the said Act :

And whereas it is expedient that the Purchase Act should be amended : It is hereby enacted as follows :

- (1) Nothing in this section contained shall alter or affect the liability of the Company under the Purchase Act with regard to the moneys before the passing of this Act received by them in respect of the said unclaimed annuities representing the said sum of twenty-three thousand eight hundred and eighty pounds unclaimed capital stock of the Company.
- (2) The Secretary of State may henceforth suspend payment to the Company of a portion of the annuity equal in amount to the said unclaimed annuities representing the said sum of twenty-three thousand eight hundred and eighty pounds.
- (3) If and whenever any annuities (other than annuities before the passing of this Act paid by the Secretary of State to the Company in respect of the said unclaimed capital stock of the Company) shall have remained or shall remain after payment by the Secretary of State to the Company in the hands of the Company unclaimed for a period of ten years, such annuities shall be repaid to the Secretary of State by the Company less any sum by the Purchase Act authorised to be deducted by the Board of Directors of the Company in respect of the said sinking fund attached to annuities of the said Class B and in respect of expenses in relation to annuities of either class.
- (4) The Secretary of State may, after any such repayment, suspend payment to the Company of a portion of the annuity equal in amount to the annuities which have so remained unclaimed for such period of ten years : Provided that if there be comprised in any such unclaimed annuities any annuities of the said Class B, the Secretary of State shall, at the times and in the manner by the Purchase Act prescribed for payment of the annuity, pay to the Company so much of such

unclaimed annuities as represents the deduction by the Purchase Act authorised to be made by the said Board of Directors in respect of the said sinking fund attached to annuities of the said Class B.

- (5) Notwithstanding anything in this section contained, the Secretary of State shall continue to pay to the Company in respect of any annuities, the payment of which has been suspended, any sums which by the Purchase Act the Board of Directors of the Company are authorised to deduct from the annuities payable to the annuitants of both classes in respect of the expenses of the payment and management of the annuity.
- (6) The Board of Directors of the Company, when the time for division of the moneys representing the accumulations of the said sinking fund shall arrive, shall pay to the Secretary of State such part of such accumulations as may be represented by any annuities of the said Class B at that time unclaimed.
- (7) The Secretary of State shall hold any moneys representing unclaimed annuities at any time repaid to him by the Company and any moneys paid to him by the Board of Directors on the eventual division of the said sinking fund, and any annuities his obligation to pay which is under this Act at any time suspended, subject to the claim of any person who may at any time, in manner by this Act provided, establish his claim thereto, and subject to such claims the Secretary of State may apply such moneys as part of the revenues of India, or otherwise as he may think fit.
- (8) The Secretary of State shall be bound to indemnify the Company against all claims in respect of any moneys representing unclaimed annuities at any time repaid to him by the Company, and of any moneys paid to him by the Board of Directors of the Company, on the eventual division of the said sinking fund, and of any annuities his obligation to pay which is under this Act at any time suspended ; and the remedy of any person claiming to be entitled to any such moneys or annuities shall be against the Secretary of State in manner by this Act provided, and not against the Company.
- (9) If and whenever any person claiming to be entitled to any moneys representing unclaimed annuities at any time repaid to the Secretary of State by the Company, or to any moneys paid to the Secretary of State by the Board of Directors of the Company on the eventual division of the said sinking fund, or to any unclaimed annuities the payment of which has under any provision of this Act been suspended, establishes his right thereto respectively to the satisfaction of the Secretary of State, the Secretary of State shall forthwith, free of all expense to the claimant, pay to such person the moneys to which he has so established

his claim, and shall, if the claim be in respect of unclaimed annuities, give notice in writing to the Board of Directors of the Company that such claim has been so established, and thereupon the said Board shall enter the name of such claimant in the proper register of annuitants, and the obligation of the Secretary of State to pay to the Company the portion of the annuity representing the unclaimed annuities in question shall revive. But in case the Secretary of State is not satisfied of the right of any person claiming to be entitled to any such moneys or unclaimed annuities, as the case may be, the claimant may, by petition in a summary way, state and verify his claim in the Chancery Division of Her Majesty's High Court of Justice, and the Court shall make such order thereon declaring the claimant entitled or not entitled to any such moneys or unclaimed annuities as the case may require, and touching the costs of the application as to the Court seems just, and upon any such order of the Court in favour of any claimant, he shall be entitled to the same rights in respect of the moneys or unclaimed annuities claimed by him as if he had established his right thereto to the satisfaction of the Secretary of State as in this sub-section before mentioned. All costs and expenses incurred by or on behalf of the Secretary of State in resisting or appearing on any such petition, if not ordered by the Court to be paid out of any moneys claimed or otherwise, shall be paid by the Secretary of State out of the revenues of India.

- (10) The Secretary of State shall require the applicant to give such public notice as the Secretary of State thinks fit by advertisement in one or more newspapers circulating in London and elsewhere, and such notice shall contain such particulars as the case requires and as the Secretary of State directs.
- (11) At any time before repayment of any moneys to any claimant or the entry of his name in either register of annuitants, any person may apply to the said Division of the Court, by motion or petition, to rescind or vary any order made for payment or entry. If in any case a new claimant establishes his right to any moneys repaid to the former claimant, or to any annuities in respect of which any former claimant has been entered in either register of annuitants as the holder thereof, and such new claimant is unable to obtain repayment of such moneys from the former claimant, or to procure the entry of his name in the proper register as the holder of any such annuities, the said Division of the Court shall, on application by petition by the new claimant, verified as the Court requires, order the Secretary of State to pay to such new claimant the sum of money to which he has established his claim, or to purchase for him annuities of the class to which he has established his claim, or (if such new claimant consent) to give him the current value of

such annuities in India stock. All moneys which the Court may order the Secretary of State to pay to or on behalf of any such new claimant shall be paid out of the revenues of India.

18. All sums of money already paid or which shall hereafter be paid by the Secretary of State to any Indian railway company for the discharge of any debentures, either before or after the passing of this Act, issued or authorised to be issued under his guarantee, in respect of which no claim has or shall have been made for one year or more after such payment by any party thereto entitled, shall (whether any person is or is not registered as entitled thereto) be repaid to the Secretary of State.

The said sums so repaid to the Secretary of State may be applied by him as part of the revenues of India or otherwise as the Secretary of State may think fit, subject to the claims of the parties entitled thereto.

19. Where any person claims to be entitled to any sum repaid to the Secretary of State under the last preceding section, the Secretary of State may, on such person showing his right thereto to the satisfaction of the Secretary of State, pay such sum to such person; but in case the Secretary of State is not satisfied of the right of such person, then the person claiming to be entitled to any sum repaid to the Secretary of State may state and verify his claim by petition in the Chancery Division of the High Court in England in a summary way in manner provided by this Act with respect to petitions for stock or dividends; and the provisions of this Act with regard to such petitions and the proceedings consequent thereon shall, with any necessary modifications, apply to claims under this section.

20. Where any sum is retained by or repaid to the Secretary of State in respect of unclaimed annuity or unclaimed debentures as by this Act provided, the respective railway companies shall be and hereby are indemnified in respect thereof, and shall not be in any manner responsible to any person having or claiming any interest therein.

Miscellaneous.

21. No stamp duty shall be paid or chargeable in respect of the transfer of any stock or annuity to or from the Secretary of State pursuant to the provisions of this Act.

22. Whereas provision has been made for the appointment of a Government director by the Secretary of State on the Boards of certain Indian railway companies; and in some cases the Secretary of State is empowered to appoint a person to represent the Government director at Board meetings and otherwise; and it is expedient that in all cases the Secretary of State should have such power: It is hereby enacted as follows:

It shall be lawful for the Secretary of State, in the case of any Indian railway company, where under his contract with that company he has the

power to appoint a Government director but not a person to represent him, from time to time to appoint a person to represent the Government director in his absence at the Board of any such Indian railway company, and any deputy so appointed shall have and may exercise (subject to any regulations of the Secretary of State) all or any of the powers of the Government director.

23. (1) Notwithstanding any provision in any Act of Parliament or deed of settlement or other instrument founding or regulating a company to the contrary, it shall be lawful for any Indian railway company, from time to time, with the sanction of the Secretary of State, and subject to such regulations and conditions as he may think fit to impose,—

- (a) to issue debenture bonds payable to bearer, which shall be negotiable by delivery;
- (b) to issue debenture bonds payable to order, which shall be negotiable by indorsement of the holder;
- (c) to issue debenture bonds payable in rupee currency;
- (d) to make provision for the exchange of debenture bonds on the application of the holder for debenture bonds of any other form or kind issued by the company.

(2) This section does not confer any additional or further borrowing powers on any Indian railway company, but applies only to the mode of exercise of borrowing powers conferred independently of this Act.

(3) Trustees (unless expressly authorised by the terms of their trust to hold securities payable to bearer) may not hold debenture bonds payable to bearer issued under this section.

24. For all or any of the purposes of this Act the Secretary of State may require any railway company to which this Act applies to furnish such returns and give such information as he may think expedient.

25. Whereas provision has been made by the Amendment of 44 & East Indian Railway Redemption of Annuities Act, 1881 (in this section referred to as the Redemption Act), for the redemption by the Secretary of State of annuities comprised in the annuity created by the East Indian Railway Company Purchase Act, 1879 (in this section referred to as the Purchase Act); and whereas the provisions of the Redemption Act are inapplicable to such of the said annuities as are annuities of the said Class B in section seventeen of this Act referred to, and it is expedient to make provision applicable to the redemption of such annuities, and also for the redemption of annuities of a similar character which have been or may be created for the purchase of Indian railways:

And whereas under certain contracts made with divers Indian railway companies before the passing of the Redemption Act, the Secretary of State is enabled on terms therein specified to purchase their undertakings either for a capital sum or by means of the creation and grant of an annuity; and whereas the power to create such annuities constitutes a liability contingently chargeable, though not actually charged, on the revenues of India at the date of the passing of the said Act;

and whereas it is expedient that the provisions of the Redemption Act should apply to such annuities as and when created: It is hereby enacted as follows:

(1) When the Secretary of State redeems any annuities of the said Class B, he shall be liable in respect of his holding from time to time to contribute rateably with other annuitants to the sinking fund attached to annuities of the said Class B; and in other respects he shall be liable to, and shall have the benefit of, the provisions of sections forty-nine and fifty of the Purchase Act, and on the distribution of the sinking fund attached to annuities of the said Class B, he shall be entitled to receive such share of the sum then distributed as may be attributable to any annuities so redeemed; and any sums which he may contribute to the sinking fund created by the Purchase Act which may be attributable to any annuities redeemed by him shall (by reason of his contribution to the sinking fund) be deemed to have been invested in accordance with the provisions of section two of the Redemption Act, notwithstanding that they have not been set aside and invested in manner directed by section fifty-one of the Purchase Act; and the provisions of the foregoing enactment shall, with any necessary modifications, apply to any annuities similar to the annuities of the said Class B under the Purchase Act which have been or may be created for the purchase of any Indian railway.

(2) Section two of the Redemption Act shall be construed and have effect as if the words "now charged or contingently chargeable" were substituted therein for the words "now charged," so as to apply to any annuity which the Secretary of State has created or may create under any of the contracts above referred to.

Major-General Cunningham entered the service of the Government of India as a Lieutenant of Royal (late Bengal) Engineers in June 1831, and, after performing good service in various military and civil capacities, was selected towards the end of the year 1870 to fill the appointment of Director-General of the Archaeological Survey. During the past five-and-twenty years Major-General Cunningham has made many interesting and important discoveries in Indian Archaeology, which are recorded in the Reports of the Survey brought out under his superintendence, and in separate monographs, which are recognised as authoritative on the subjects of which they treat.

In notifying Major-General Cunningham's retirement, the Governor-General in Council has much pleasure in tendering to that officer the thanks of the Government of India for the distinguished service rendered by him during an unusually long career, and would venture to express a hope that he may, in the leisure of his retirement, be able to bring together in a permanent shape the numerous and valuable Archaeological notes which he is understood to have collected during his service as Director-General of the Survey.

No. 212.—The Governor-General in Council is pleased to appoint the following gentlemen to be Surveyors in the Archaeological Department as reconstituted by Home Department Resolution No. 2—87-103, dated 6th June, 1885 :—

An Act to carry into effect an International Convention for the Protection of Submarine Telegraph Cables. [6th August, 1885.]

Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Short title. 1. This Act may be cited as the "Submarine Telegraph Act, 1885."

2. The Convention of the fourteenth of March one thousand eight hundred and eighty-four mentioned in the schedule to this Act as set forth in that schedule is hereby confirmed, and subject to the provisions of this Act the articles of such Convention (referred to in this Act as the Convention) shall be of the same force as if they were enacted in the body of this Act.

3. (1) A person shall not unlawfully and wilfully, or by culpable negligence, break or injure any submarine cable to which the Convention for the time being applies, in such manner as might interrupt or obstruct, in whole or in part, telegraphic communication.

(2) Any person who acts or attempts to act in contravention of this section shall be guilty of a misdemeanour, and on conviction—

(a) if he acted wilfully, shall be liable to penal servitude for a term not exceeding five years, or to imprisonment, with or without hard labour, for a term not exceeding two years and to a fine, either in lieu of or in addition to such penal servitude or imprisonment; and

(b) if he acted by culpable negligence, shall be liable to imprisonment for a term not exceeding three months, without hard labour, and to a fine not exceeding one hundred pounds, either in lieu of or in addition to such imprisonment.

(3) Where a person does any act with the object of preserving the life or limb of himself or of any other person, or of preserving the vessel to which he belongs, or any other vessel, and takes all reasonable precautions to avoid injury to a submarine cable, such person shall not be deemed to have acted unlawfully and wilfully within the meaning of this section.

(4) A person shall not be deemed to have unlawfully and wilfully broken or injured any submarine cable, where in the *bond fide* attempt to repair another submarine cable injury has been done to such first-mentioned cable, or the same has been broken; but this shall not apply so as to exempt such person from any liability under this Act or otherwise to pay the cost of repairing such breakage or injury.

(5) Any person who within or (being a subject of Her Majesty) without Her Majesty's dominions in any manner procures, counsels, aids, abets, or is accessory to the commission of any offence under this section, shall be guilty of a misdemeanour, and shall be liable to be tried and punished for the offence as if he had been guilty as a principal.

4. Article four of the schedule to this Act shall not apply to that part of a cable which is laid in a depth of water exceeding one hundred fathoms; but nothing in the Convention or this Act shall take away, prejudice, or affect any right or remedy to which by law any party is or may be entitled otherwise than under the provisions of the Convention or this Act.

5. (1) It is hereby declared that the enactments of the Merchant Shipping Act, 1862, and the enactments amending the same, touching regulations as to lights and to signals and for the avoiding

of collisions, shall extend to authorise regulations for carrying into effect Articles five and six of the schedule to this Act, within as well as without the territorial waters of Her Majesty's dominions, and regulations may be made, applied, altered, and revoked, and the contravention thereof punished accordingly under the said enactments; and section six of the Sea Fisheries Act, 1883, shall extend to the enforcement of the said regulations as regards sea fishing boats within the limits of that Act.

(2) If any vessel engaged in the laying or repairing of a submarine cable to which the Convention for the time being applies, interferes contrary to the said regulations or articles with any vessel engaged in fishing, or if the operations of any vessel in connexion with any such submarine cable are wilfully delayed so as to interfere with sea fishing, the master of the vessel, or the owner thereof, if it appear that he was in fault, shall be deemed guilty of a breach of the said regulations, and may be punished accordingly.

6. (1) For the purpose of carrying into effect the Convention, a person commanding a ship of war of Her Majesty or of any foreign state for the time being bound by the Convention, or a ship specially commissioned for the purpose of the Convention by Her Majesty or by the government of such foreign state, may exercise and perform the powers and duties vested in and imposed on such officer by any article in the schedule to this Act.

(2) If any person obstructs any such officer in such exercise or performance, or refuses or neglects to comply with any demand or direction lawfully made or given by him in pursuance of this Act, such person shall be liable, on summary conviction, to a fine not exceeding fifty pounds, or to be imprisoned for a term not exceeding two months, with or without hard labour.

(3) Any action, prosecution or proceeding against any officer for any act done in pursuance or execution or intended execution of this Act, or in respect of any alleged neglect or default in the execution of this Act, shall not lie or be instituted unless it is commenced within twelve months next after the act, neglect or default complained of.

(4) In any such action tender of amends before the action was commenced may, in lieu of or in addition to any other plea, be pleaded. If the action was commenced after such tender, or is proceeded with after payment into court of any money in satisfaction of the plaintiff's claim, and

the plaintiff does not recover more than the sum tendered or paid, he shall not recover any costs incurred after such tender or payment, and the defendants shall be entitled to costs, to be taxed as between solicitor and client, as from the time of such tender or payment.

(5) Every such action shall be brought in one of Her Majesty's Superior Courts in the United Kingdom (which Courts shall have jurisdiction to try the same wherever the matter complained of occurred) or in a Supreme Court in India or in a Court exercising in a British possession the like authority as the High Court of Justice in England, but in no other Court whatsoever.

7. Part X of the Merchant Shipping Act, 1854 (which relates to legal procedure), and the enactments amending the same, so far as unrepealed, shall have effect as if enacted in this Act; and offences under this Act may be tried, and fines under this Act recovered accordingly, save that nothing in the said Part shall authorise the award of any punishment not authorised by this Act, or the summary prosecution of any indictable offence under this Act.

8. (1) Any document drawn up in pursuance of Article seven or Article ten of the schedule to this Act shall be admissible in any proceeding, civil or criminal, as *prima facie* evidence of the facts or matters therein stated.

(2) If evidence contained in any such document was taken on oath in the presence of the person charged in such evidence, and such person had an opportunity of cross-examining the person giving such evidence and of making his reply to such evidence, the officer drawing up such document may certify the said facts or any of them.

(3) Any document or certificate in this section mentioned purporting to be signed by an officer authorised to act under the schedule to this Act for carrying into effect the Convention, shall be admissible in evidence without proof of such signature, and, if purporting to be signed by any other person, shall, if certified by any such officer to have been so signed, be deemed until the contrary is proved to have been signed by such other person.

(4) If any person forges the signature of any such officer to any such document as above mentioned, or makes use of any such document knowing the signature thereto be forged, such person shall be guilty of a misdemeanour and liable on summary conviction to imprisonment for a term not exceeding three months with or without hard labour, and on conviction on indictment to imprisonment with or without hard labour for a term not exceeding two years.

9. Where any offence against this Act has been committed by means of a vessel, or of any boat belonging to a vessel, the master of such vessel shall, until some other person is shown to have been in charge of and navigating such vessel or boat, be deemed to have been in charge of and navigating the same, and be liable to be punished accordingly.

10. The provisions of this Act shall be in addition to and not in derogation of any other provisions existing at common law or under Act of Parliament or

under the law of a British possession for the protection of submarine cables; and nothing in this Act shall prevent any person being liable under any Act of Parliament, law of a British possession, or otherwise to any indictment, proceeding, punishment or penalty other than is provided for any offence by this Act, so that no person shall be punished twice for the same offence; and nothing in this Act, nor any proceedings with respect to any matter, shall exempt a person from any liability in any action or suit with reference to the same matter, so that no person shall be required to pay compensation twice in respect of the same injury.

11. This Act shall, so far as such extension is consistent with the tenor of this Act, extend to the whole of Her Majesty's dominions, and to all places within the jurisdiction of the Admiral of England and to all places where Her Majesty has jurisdiction.

12. In this Act, unless the context otherwise requires,—

The expression "vessel" means every description of vessel used in navigation in whatever way it is propelled; and any reference to a vessel shall include a reference to a boat belonging to such vessel:

The expression "master" includes every person having command or charge of a vessel:

The expression "British possession" includes any part of Her Majesty's dominions exclusive of the United Kingdom:

The expression "person" includes a body of persons corporate or unincorporate.

13. This Act shall come into force on such day as may be fixed by a notice in that behalf published in the *London Gazette*, and if the Convention ceases to be binding on Her Majesty, shall cease to be of any effect.

The present Convention applies outside territorial waters to all legally established submarine cables landed on the territories, colonies, or possessions of one or more of the High Contracting Parties.

ARTICLE II.

It is a punishable offence to break or injure a submarine cable, wilfully or by culpable negligence, in such manner as might interrupt or obstruct telegraphic communication, either wholly or partially, such punishment being without prejudice to any civil action for damages.

This provision does not apply to cases where those who break or injure a cable do so with the lawful object of saving their lives or their ship, after they have taken every necessary precaution to avoid so breaking or injuring the cable.

ARTICLE III.

The High Contracting Parties undertake that, on granting a concession for landing a submarine cable, they will insist, so far as possible, upon proper measures of safety being taken, both as regards the track of the cable and its dimensions.

ARTICLE IV.

The owner of a cable who, on laying or repairing his own cable, breaks or injures another cable, must bear the cost of repairing the breakage or injury, without prejudice to the application, if need be, of Article II of the present Convention.

ARTICLE V.

Vessels engaged in laying or repairing submarine cables shall conform to the regulations as to signals which have been, or may be, adopted by mutual agreement among the High Contracting Parties, with the view of preventing collisions at sea.

When a ship engaged in repairing a cable exhibits the said signals, other vessels which see them, or are able to see them, shall withdraw to or keep beyond a distance of one nautical mile at least from the ship in question, so as not to interfere with her operations.

Fishing gear and nets shall be kept at the same distance.

Nevertheless, fishing vessels, which see or are able to see a telegraph ship exhibiting the said signals, shall be allowed a period of twenty-four hours at most within which to obey the notice so given, during which time they shall not be interfered with in any way.

The operations of the telegraph ships shall be completed as quickly as possible.

ARTICLE VI.

Vessels which see, or are able to see, the buoys showing the position of a cable when the latter is being laid, is out of order, or is broken, shall keep beyond a distance of one-quarter of a nautical mile at least from the said buoys.

Fishing nets and gear shall be kept at the same distance.

ARTICLE VII.

Owners of ships, or vessels, who can prove that they have sacrificed an anchor, a net or other fishing gear in order to avoid injuring a submarine cable, shall receive compensation from the owner of the cable.

In order to establish a claim to such compensation, a statement, supported by the evidence of the crew, should, whenever possible, be drawn up immediately after the occurrence; and the master must, within twenty-four hours after his return to, or next putting into, port, make a declaration to the proper authorities.

The latter shall communicate the information to the Consular authorities of the country to which the owner of the cable belongs.

ARTICLE VIII.

The tribunals competent to take cognizance of infractions of the present Convention are those of the country to which the vessel on board of which the offence was committed belongs.

It is, moreover, understood that, in cases where the provisions in the previous paragraph cannot apply, offences against the present Convention will be dealt with in each of the Contracting States in accordance, so far as the subjects and citizens of those States respectively are concerned, with the general rules of criminal jurisdiction prescribed by the laws of that particular State, or by international treaties.

ARTICLE IX.

Prosecutions for infractions provided against by Articles II, V and VI of the present Convention shall be instituted by the State, or in its name.

ARTICLE X.

Offences against the present Convention may be verified by all means of proof allowed by the legislation of the country of the Court. When the officers commanding the ships of war, or ships specially commissioned for the purpose by one of the High Contracting Parties, have reason to believe that an infraction of the measures provided for in the present Convention has been committed by a vessel other than a vessel of war, they may demand from the captain or master the production of the official documents proving the nationality of the said vessel. The fact of such document having been exhibited shall then be endorsed upon it immediately. Further, formal statements of the facts may be prepared by the said officers, whatever may be the nationality of the vessel incriminated. These formal statements shall be drawn up in the form and in the language used in the country to which the officer making them belongs; they may be considered, in the country where they are adduced, as evidence in accordance with the laws of that country. The accused and the witnesses shall have the right to add, or to have added, thereto, in their own language, any explanations they may consider useful. These declarations shall be duly signed.

ARTICLE XI.

The proceedings and trial in cases of infraction of the provisions of the present Convention shall always take place as summarily as the laws and regulations in force will permit.

ARTICLE XII.

The High Contracting Parties engage to take or to propose to their respective Legislatures the necessary measures for insuring the execution of the present Convention, and especially for punishing, by either fine or imprisonment, or both, those who contravene the provisions of Articles II, V and VI.

ARTICLE XIII.

The High Contracting Parties will communicate to each other laws already made, or which may hereafter be made, in their respective countries relating to the object of the present Convention.

ARTICLE XIV.

States which have not signed the present Convention may adhere to it on making a request to that effect. This adhesion shall be notified through the diplomatic channel to the Government of the French Republic, and by the latter to the other Signatory Powers.

ARTICLE XV.

It is understood that the stipulations of the present Convention do not in any way restrict the freedom of action of belligerents.

ARTICLE XVI.

The present Convention shall be brought into force on a day to be agreed upon by the High Contracting Powers.

It shall remain in force for five years from that day; and unless any of the High Contracting Parties have announced, twelve months before the expiration of the said period of five years, its intention to terminate its operation, it shall continue in force for a period of one year, and so on from year to year.

If one of the Signatory Powers denounce the Convention, such denunciation shall have effect only as regards that Power.

ARTICLE XVII.

The present Convention shall be ratified, and the ratifications exchanged at Paris with as little delay as possible, and, at the latest, at the expiration of a year.

ADDITIONAL ARTICLE.

The stipulations of the Convention concluded under to-day's date for the protection of submarine cables shall be applicable, in conformity with Article I, to the colonies and possessions of Her Britannic Majesty, with the exception of those hereinafter mentioned, namely:—

Canada.	Victoria.
Newfoundland.	Queensland.
The Cape.	Tasmania.
Natal.	South Australia.
New South Wales.	Western Australia.
New Zealand.	

Provided always, that the stipulations of the said Convention shall be applicable to any of the above-named colonies or possessions on whose behalf notice to that effect shall have been given by Her Britannic Majesty's Representative at Paris to the French Minister for Foreign Affairs.

Each of the above-named colonies or possessions which may have acceded to the said Convention shall be at liberty to withdraw from it in the same manner as the Powers parties to it. In the event of any of the said colonies or possessions desiring to withdraw from the Convention, a notification to that effect shall be made by Her Britannic Majesty's Representative at Paris to the French Minister for Foreign Affairs.

1. (1) These orders may be called the "Berar Rural Boards Law, 1885," and are hereinafter referred to as "this Law":

Short title, extent, commencement, and power to make rules in anticipation of Law coming into force.

(2) This Law extends to the territories known as the Hyderabad Assigned Districts: and

(4) The power conferred by this Law on the Resident to make rules or to issue orders may be exercised at any time after the publication of this Law; but a rule or order so made or issued shall not take effect until the Law comes into force.

Establishment of district and taluk boards.

5. (1) The taluk board for a taluk shall consist of so many elected members and so many nominated members as the Resident may, from time to time, fix in this behalf:

(3) Each of the electoral bodies shall be constituted in manner prescribed, and there may be included in either of them any person paying the jaglia and local cess or assessed to the town-fund, as the case may be, who is a member of the committee established in any village in which Book Circular XIV of 1881 is in force and which, if it had not for the purposes of this Law been excluded from the taluk, would have been deemed to form part thereof;

but neither of the electoral bodies shall consist of less than twenty-five electors.

(4) A person to be qualified for election must, at the time of his election, be an elector.

(5) The nominated members shall be such persons as the Commissioner may, subject to the rules made under this Law, from time to time, nominate in this behalf.

- (2) The district fund shall be vested in the district board, and the balance standing to the credit of the fund shall be kept in the Government treasury of the district.
- (3) The district fund shall be applicable to the payment, in whole or in part, of the charges and expenses incidental to the several matters specified in sections 13, 18, 20 and 21 within the area subject to the authority of the district board, and, with the sanction of the Resident, outside of that area, and also to the following purposes:—

23. (1) Every district board shall appoint a finance committee consisting of not less than three of its number.

(2) Every district board shall, on or before the prescribed day in each year, hold

a meeting at which the finance committee shall submit to the board, in form prescribed, an estimate of the income and expenditure of the board for the next financial year.

(3) The district board shall consider the estimate, and may provisionally approve of it, with or without modification.

(4) The district board shall, on or before the prescribed day, cause a copy of the estimate as provisionally approved by it to be sent to the Deputy Commissioner.

(5) The Deputy Commissioner may object to the estimate on the ground that any expenditure on salaries, works, or otherwise proposed therein, appears to him to be unnecessary or excessive, or that any particular contained therein appears to him to be erroneous, defective, or improper.

(6) If the Deputy Commissioner so objects, he shall signify his objections in writing to the district board; if he does not so object, he shall signify his approval in like manner.

(7) When the Deputy Commissioner signifies, under sub-section (6), objections to an estimate, the district board shall consider his objections, and either modify the estimate so as to remove them, or refer the estimate, with the statement of objections, through the Deputy Commissioner, to the Commissioner; and the Commissioner shall signify to the district board his approval of the estimate, with or without such modifications as may be needed to remove the objections, wholly or in part, as he thinks fit.

(8) When the Deputy Commissioner or Commissioner has signified his approval of an estimate, or the district board has modified an estimate so as to remove the Deputy Commissioner's objections, no expenditure, which is not provided for in the estimate as approved or modified, shall be incurred during the year to which the estimate relates without the previous sanction of the Commissioner.

(9) When the Deputy Commissioner is a member of the district board, the Commissioner shall take the place of the Deputy Commissioner for the purposes of this section; and the reference under sub-section (7) shall be to the Resident.

24. Accounts of the receipts and expenditure of every district board shall be made up to the last day of every financial year in such form as the Resident, from time to time, prescribes, and shall be examined and audited as soon as may be after the end of each financial year by

such persons as the Resident from time to time appoints in this behalf.

25. The district board shall cause a copy of every estimate provisionally or finally approved under section 23, and of every account made up under section 24, to be kept at its office; and any person may at all reasonable times inspect any such estimate or account.

26. An abstract of every annual account of a district board showing the income of the district fund under each head of receipts, the charges for establishment, the works undertaken, the sums expended on each work, and the balance, if any, of the fund remaining unspent, shall be prepared by the district board in such form as the Resident from time to time prescribes, and published annually in the *Residency Orders*.

Control.

27. (1) The Deputy Commissioner of a district shall have power to supervise the proceedings of the district board, and of every taluk board or joint committee in the district, and in exercise of that power may (among other things)

- (a) enter on and inspect, or cause to be entered on and inspected, any immoveable property occupied by the district board, taluk board, or joint committee, or any work in progress under its direction;
- (b) call for and inspect any document which may be for the purposes of this Law in the possession or under the control of the district board, taluk board, or joint committee;
- (c) require the district board, taluk board, or joint committee to furnish such statements, accounts, and reports as he thinks fit; and
- (d) record in writing, for the consideration of any such board or committee, any observations he may think proper in regard to the proceedings or duties of the board or committee.

(2) Where a joint committee is appointed by the district boards of several districts, the Deputy Commissioner of any of those districts may exercise a like power in respect of the proceedings of that committee; but if any difference of opinion arises between two or more Deputy Commissioners acting under this sub-

section, it shall be referred to the Commissioner.

(3) The power given under this section to a Deputy Commissioner in respect of a taluk board may be delegated by him to a subordinate not below the rank of an Extra Assistant Commissioner.

(4) When the Deputy Commissioner is a member of the district board, the powers given to him under this section shall, in respect of that board, vest in the Commissioner.

28. (1) If, in the opinion of the Deputy Commissioner, the execution of any order or resolution of a district board, taluk board, or joint committee, or the doing of any act which is about to be done, or is being done, in pursuance of or under cover of this Law, is likely to cause injury or annoyance to the public, or to any class or body of persons, or to lead to a breach of the peace, he may, by order in writing, suspend the execution or prohibit the doing thereof within his district.

(2) When a Deputy Commissioner makes any order under this section, he shall forthwith forward to the Commissioner a copy of the order, with a statement of the reasons for making it; and it shall be in the discretion of the Commissioner to rescind the order, or to direct that it continue in force, with or without modification, permanently or for such period as he thinks fit.

(3) The Commissioner shall forthwith submit to the Resident a report of every case occurring under this section; and the Resident may rescind or modify any order made therein, and make in respect thereof any other order which the Commissioner could have made in respect of the same.

29. (1) In cases of emergency the Deputy Commissioner may provide for the execution of any work, or the doing of any act, which a district board or taluk board is empowered to execute or do, and the immediate execution or doing of which is, in his opinion, necessary for the service or safety of the public, and may direct that the expense of executing the work or doing the act, with a reasonable remuneration to the person appointed to execute or do it, shall be forthwith paid by the district board.

(2) If the expense and remuneration are not so paid, the Deputy Commissioner may make an order directing the person having the custody of the balance of the

district fund to pay the expense and remuneration, or as much thereof as is possible, from that balance.

(3) The Deputy Commissioner shall forthwith report to the Commissioner every case in which he uses the powers given to him by this section.

30. (1) When the Commissioner is informed, on complaint made or otherwise, that a district board has made default in performing any duty imposed on it by or under this Law, the Commissioner, if satisfied after due enquiry that the district board has been guilty of the alleged default, may, by an order in writing, fix a period for the performance of that duty.

(2) If that duty is not performed within the period so fixed, the Commissioner may appoint some person to perform it, and may direct that the expense of performing it, with a reasonable remuneration to the person appointed to perform it, shall be forthwith paid by the district board.

(3) If the expense and remuneration are not so paid, the Commissioner may make an order directing the person having the custody of the balance of the district fund to pay the expense and remuneration, or as much thereof as is possible, from that balance.

31. (1) If a district board is not competent to perform, or persistently makes default in the performance of, the duties imposed on it by or under this Law or any other law for the time being in force, or exceeds or abuses its powers, the Resident may, with the previous approval of the Governor General in Council, by an order published, with the reasons for making it, in the *Residency Orders*, declare the board to be incompetent or in default, or to have exceeded or abused its powers, as the case may be, and supersede it for a period to be specified in the order.

(2) When the district board of a district is so superseded, the following consequences shall ensue:—

- (a) all members of the board and all members of the taluk boards of the district shall, as from the date of the order, vacate their offices as such members;
- (b) all powers and duties of the district board may, during the period of supersession, be exercised and per-

formed by such person or persons as the Resident, from time to time, appoints in that behalf;

- (c) all property vested in the district board shall, during the period of supersession, vest in the Government.

(3) On the expiration of the period of supersession specified in the order, the taluk boards and district board shall be re-established, and the persons who vacated their offices under clause (a) shall not be deemed disqualified for election, nomination, or appointment.

32. In all matters connected with this Law, the Commissioner shall have and exercise the same authority and control over Deputy Commissioners as he has and exercises over them in the general and revenue administration.

Rules.

33. The Resident may, from time to time, make rules consistent with this Law and with reference (if necessary) to the varying circumstances of different local areas—

- (a) as to the constitution of the electoral bodies to elect the elective members of taluk boards, and as to the method and time of election of elective members of those boards and of district boards;

(2) Every rule made under section 33 shall be published in the *Residency Orders* in English and in such other language or languages as the Resident may direct; and such publication shall be conclusive proof that the rule has been made as required by this section.

35. If the circumstances of any district or taluk are, in the opinion of the Resident, such that any of the provisions of this Law are unsuited thereto, he may, by order in writing, except the district or taluk from the operation of those provisions; and thereupon those provisions shall not apply to the excepted district or taluk until again applied thereto by a subsequent order of the Resident.

38. Every member of a taluk board or district board shall be liable for the loss, waste, or misapplication of any money or other property belonging to the district board, if such loss, waste, or misapplication is a direct consequence of his neglect or misconduct; and a suit for compensation may be instituted against him in any Court of competent jurisdiction by the district board with the sanction of the Commissioner, or by the Secretary of State for India in Council.

(k) This choice must be exercised immediately after the result of the Open Competition is announced, on such day as may be fixed by the Civil Service Commissioners.

* Copies of these Regulations and of the form of application may be obtained on application to the Secretary to the Government of India in the Home Department.

(3) *The seniority in the Civil Service of India of the Selected Candidates shall be determined according to the order in which they stand on the list resulting from the Final Examination.*

Candidates are not permitted to migrate from the University originally chosen by them to another University without first applying to the India Office for the permission, and receiving the sanction, of the Secretary of State, who will not entertain such applications unless good and sufficient reasons are assigned.

(5) *Selected Candidates desiring to remain in this country an additional year after the completion of their two years' probation for the purpose of taking a degree at one of the Universities abovementioned, should apply to the Secretary of State for India for permission to do so. Besides the allowances abovementioned, a bonus of £150 will, as a temporary and experimental measure, be paid to any Candidate who, having obtained permission to remain an additional year, passes an examination qualifying for a degree in Honours at Oxford or Cambridge, or, being a student of University College, London, passes with credit an Honour Examination of the University of London. This privilege will be hereafter extended to any other of the Universities above referred to, at which an academical distinction is obtainable which, in the opinion of the Secretary of State, corresponds to a degree in Honours at Oxford or Cambridge, and to obtain which the additional year's residence in this country is necessary.*

(6) *All Selected Candidates will be required, after having passed the first periodical Examination, and before receiving the first instalment of their allowance, to attend at the India Office for the purpose of entering into an agreement binding themselves, amongst other things, to refund in certain cases the amount of their allowance in the event of their failing to proceed to India. EVIDENCE OF AGE TO BE REQUIRED FROM CANDIDATES FOR THE CIVIL SERVICE OF INDIA.

I. Every Candidate born in the United Kingdom should produce a Certificate from the Registrar-General of Births, Marriages, and Deaths, or from one of his Provincial Officers. This Certificate may be obtained from the Registrar-General in London, Dublin, or Edinburgh, or from the Superintendent Registrar of the District in which the birth took place.

II. A Candidate born of European parents in India may produce a Certificate of Baptism from the District in which he was baptised. When such Certificates are not in the possession of the Candidates, an Extract from the Registers kept at the India Office will probably be obtainable.

III. A Candidate, who is a Native of India, must have his age certified by the Government of India, or of the Presidency or Province in which he may have resided.

Except as noted in paragraphs II and III, every Candidate is expected to produce a Certificate of Birth. The Civil Service Commissioners will not in ordinary cases accept a Certificate of Baptism, or other testimony, unless they are first satisfied that a Certificate of Birth cannot be procured.

Official Certificates of Birth may generally be obtained as follows :—

- (e) *For persons born in India of European parents.*—From the India Office, London.

Any Candidate who cannot produce a Certificate of Birth from one of the authorities named should, if possible, procure a Certificate of Baptism, and should then apply to the Secretary, Civil Service Commission, for further instructions.
